Act Now to Help Protect What Matters Most

The life you're building for yourself and your family is precious. Every financial decision, every first step, every milestone — these are the things that matter. Think of insurance as a financial safety net that can help protect you when life doesn't go as planned. Enrolling in coverage now is a small thing you can do to help make sure you and your loved ones keep moving forward.

In this guide, you'll find details about your group insurance options from Standard Insurance Company (The Standard).

Protection for Your Loved Ones

Life insurance helps provide support and stability to your family if something were to happen to you or your spouse or children. It can help your family financially through a difficult time and provide support into the future.

Accidental Death and Dismemberment (AD&D) insurance helps protect against a sudden financial loss brought on by an accidental death. It can also help pay for the high cost of living associated with surviving an accident that results in a severe physical loss.

Protection for Your Paycheck

Your most valuable asset is your ability to earn an income. Disability insurance provides partial income replacement if you can't work because of a qualifying disability caused by an illness, injury or pregnancy. The benefit payments can help with bills that continue even when you can't work, like your mortgage or rent — expenses medical insurance won't cover.

Long Term Disability insurance pays a monthly benefit if you experience a disability that lasts for several months or even years.

Your Employer-Paid Benefits

- Basic Life and Accidental Death & Dismemberment insurance
- Long Term Disability insurance

Benefits You Can Apply for Now:

- Additional Life and Accidental Death & Dismemberment insurance

How Much Life Insurance Do You Need?

After a serious accident or death in the family, there are many unexpected expenses. Your benefits could help your family pay for:

- Outstanding debt
- Burial expenses

- Medical bills
- Your children’s education
- Daily expenses

To estimate your insurance needs, you’ll need to consider your unique circumstances. Use our online calculator at www.standard.com/life/needs.

How Much Your Coverage Costs

Your Basic Life insurance is paid for by Daytona State College. If you choose to purchase Additional Life coverage, you’ll have access to competitive group rates, which may be more affordable than those available through individual insurance. You’ll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and the benefit amount.

Use this formula to calculate your premium payment:

$$\underline{\hspace{2cm}} \div 1000 = \underline{\hspace{2cm}} \times \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

Enter the amount of coverage you are requesting (see benefit amounts in the About This Coverage section).

Enter your rate from the rate table.

This amount is an estimate of how much you would pay each month.

If you buy Dependents Life with AD&D coverage for your spouse, your monthly rate is shown in the table below. Use the same formula to calculate the premium that you used for yourself, but use your age and your spouse’s rate.

If you buy Dependents Life with AD&D coverage for your child(ren), your monthly rate is \$0.082 per \$1,000 of total coverage, no matter how many children you’re covering.

Age (as of January 1)	Your Rate* (Per \$1,000 of Total Coverage)	Your Spouse’s Rate** (Per \$1,000 of Total Coverage)
All Ages	\$0.277	\$0.293

*Includes a monthly AD&D rate of \$0.027 per \$1,000 of AD&D benefit.
 **Includes a monthly AD&D rate of \$0.027 per \$1,000 of AD&D benefit for your spouse.
